Donor Highlight

Long-time supporter, Huntington National Bank, increased their donation this year to \$7,500! Thanks to this generous donation, our leadership team will have opportunities to collaborate on best practices in group mentoring. Thank you, Huntington National Bank, for your continued support!

MyUSA Credit Union's \$2,500 donation helped us launch our program in Middletown. Not only do they help fund our program, but they develop lessons to teach students about budgeting, going as far as creating a mini "store" in the classroom where students can shop and learn important financial skills!

*Adopt A Class extends a special thanks to **The Dater Foundation** for their generous field trip transportation grant for our civic and nonprofit partners!*
