

UNCOVERING PASSION. EXPLORING POTENTIAL.

REMOTE LEARNING NOTICES!

Due to ongoing staff shortages that are the result of increased community spread of COVID-19, Cincinnati Public Schools (CPS) will shift to a five-day per week distance-learning model effective Wednesday, January 12.

This decision impacts all CPS schools for a period of seven instructional days.

In-person learning is scheduled to resume on Monday, January 24, if staffing levels are sufficient to safely reopen schools.

Any CPS schools that decided to go remote last week that were scheduled to come back January 12 will remain in remote as well.

If you have a mentoring session scheduled during the January 12th - January 24th period, please reach out to your teacher to determine next steps. Potential options include planning a virtual session with your students during this remote learning period or postponing your mentoring session until in-person learning has resumed.

If any other schools we serve experience learning changes, we will contact the teams at that school directly with information and updates as we receive them. If you have any questions, please reach out to your AAC staff contact. Thank you!

ACTIVITY CORNER!

Each newsletter, Adopt A Class will share activities with you that are tailored to the grade band you serve. We ask that your activities are focused on college & career pathways, essential employability skills, and/or STE(A)M. Please check out the icebreakers and activities for the other grade bands if you are looking for a bit of inspiration for your mentoring sessions!

As always, more lessons are available on our website in our [Resource Center: Educational Activities](#).

Don't forget we also have a bunch of virtual educational activities available to you on our [website](#) and on our Adopt A Class [YouTube](#) channel for any teams having to switch to virtual mentoring sessions!

2021 - 2022 Curriculum Guide are now AVAILABLE!

Check it out! This guide features activities for each grade band: PreK - 2nd, 3rd - 6th, and 7-8th grade. Each grade band has a College and Career pathways, Literacy, and/or STE(A)M activity. Each activity has little to no materials required, written out instructions, and includes links to assist you whenever necessary.
