

TEACHER AGREEMENTS

I agree to log our mentoring sessions using the teacher survey tool after each visit from my mentor team

I commit to a 48-hour turnaround time for communication with my team lead and Adopt A Class Staff.

I understand that Adopt A Class is group mentoring, not tutoring. I will not ask my mentors to tutor my students.

I will remain engaged, manage classroom behavior and stay in the classroom during our monthly mentoring sessions. I understand mentors are not allowed to be alone with student.

I will make Adopt A Class staff aware of any issues that arise with my adopting team and/or any extraordinary successes as well.
