

September 2023 Newsletter

Annual Mentor Symposium - TOMORROW!

We look forward to seeing all mentor team leads, resource coordinators and principals at our Annual Mentor Symposium! The event kicks off with a quick breakfast and networking, then you'll hear exciting updates from the AAC team, browse vendor exhibits with booths from the community, and hear from a special Keynote Speaker - Marlon Styles, Jr.!

****Don't forget your school supplies donations for Crayons to Computers!** Let's "FILL THE VAN" with school supplies that will go directly to the students we serve through AAC!**

**New Hires**

Megan Marshall
Director of Corporate Relations & Strategic Partnerships

Sarah Frey
Corporate Relationship Manager

Our team is growing! Please join us in welcoming our new teammates:

Sarah Frey - Corporate Relationship Manager
Megan Marshall - Director of Corporate Relations & Strategic Partnerships

[MEET NEW STAFF HERE!](#)

AAC Trainings:

New Mentors & Team Leads: register [here](#) for an upcoming training session.

Trainings are for new Adopt A Class Mentors and Team Leads or new team members to existing mentor teams. The training provides an overview of the Adopt A Class program and expectations and is mandatory for participation.

AAC Symposium:

TOMORROW!

Digital Futures Welcomes all to the Digital Futures Grand Opening 2.0!

In case you missed it - Adopt A Class moved our office into UC Digital Futures this past July!

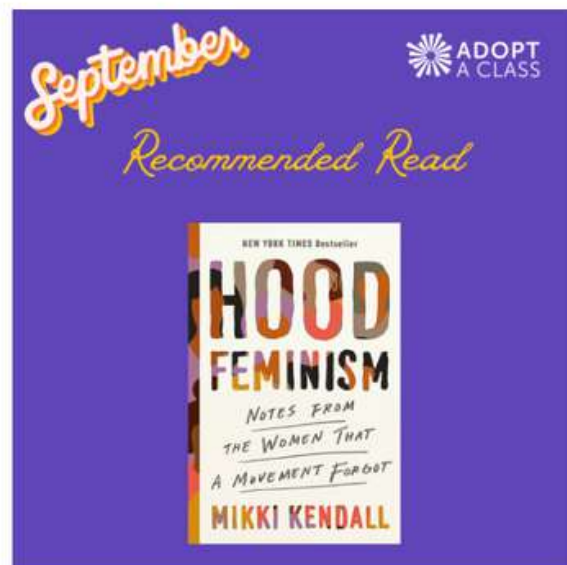

Come view our new space and check out what amazing things are going on in our community. All are welcome on September 22nd from 12:00 - 4:30!

September Recommended Read: *Hood Feminism*

Each month, an AAC staff member reads and reviews a book of their choice. For September, Program Manager, Miranda Sadler, read and reviewed *Hood Feminism* by Brit Bennett.

[READ HERE](#)

Have AAC news to share? Please send it over! We love to read about the roles Adopt A Class plays within your companies. We've recently received shout-outs during [WCPO's Cincy Lifestyle](#) segment with Danise Destassi and her work with Adopt A Class, as well as an article in [Duke Energy's News Center](#).
