

2023 Adopt A Class Safety & Security Agreement

Our Mission: Adopt A Class connects businesses and civic groups with students in our economically challenged schools. By pairing volunteer teams with individual classrooms, our mentors expose the students to a breadth of experiences and training to be job and career ready. For the organization, this engagement fosters a culture of teamwork and increased knowledge of our community's needs and the challenges faced by our youth.

Our Vision: A Greater Cincinnati where all students have access to caring adults who expose them to a breadth of life and career experiences so they can unleash their full potential.

Who We Serve: K-8th grade students in schools where the majority of students qualify for free or reduced lunch. On average, 97% of the students we serve are eligible for free or reduced meals.

How We Work: Volunteers spend **one hour, once per month** mentoring their class, during the school day between October and May, where they engage in educational activities (*College & Career pathways, Essential Employability, and STEAM focused*). The mentor teams also coordinate field trips with the students to build awareness and deepen learning for students.

Best Practices:

Establish a positive relationship with your class by:

- Creating mutual trust and respect. Follow through with promised sessions or email teacher in advance if you need to cancel so he/she can prepare the class.
 - Maintaining regular interaction and consistent support. Many of the students in our program do not receive enough stability from the adults in their lives; mentors can help fill this void with dependable, sincere, and consistent attention and concern.
- Making your time together enjoyable and fun!

Be mindful of communication. Do not make comments of any kind that relate to a student's physical appearance, development, financial or life situation. Remain neutral and non-judgmental.

No physical contact. Encouragement and friendship should be conveyed through words and gestures, not through touching.

Set Limits. The Adopt A Class program ***is to take place in a group setting at all times*** under the supervision of the classroom teacher or identified school staff person. ***At no time (whether in person, or virtually) should an Adopt A Class volunteer be alone with a student.***
