

ADOPT A CLASS

Student Name Tags

Use our Student Name Tag template to learn your student's names! You're welcome to write your student's names or allow your teacher to do so. These can be kept by you, our mentoring team, or distributed by the teacher each visit.

End of Year Achievement Certificate

Award students with a certificate at the end of the school year to celebrate a great year of mentorship! Customize the template by co-branding with your company's logo, as well as adding each of your students' names.

Icebreakers

Start your visit off with a fun and engaging icebreaker! This will engage students and spark conversation. We have plenty of icebreakers on our website for your use, or you can reach out to your AAC Liaison guidance.

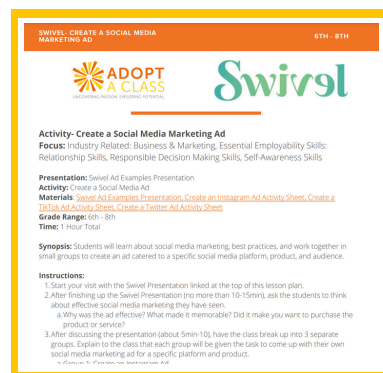

CincySHRM

Use curriculum that focuses on job and career readiness! Students and mentors can explore resume building, job searching, and interviewing through three 45-minute modules we developed in collaboration with CincySHRM.

AAC Merchandise & Apparel

Explore AAC's custom merchandise and apparel website! Our partnership with Queen City Spirit allows mentors, educators, and partners to choose from a variety of options, including co-branded items with your company's logo and the AAC logo.

Submit News & Activities

Share your AAC success stories and activities with us! If you'd like to share exciting news with us, please email info@aacmentors.org. If you have created an activity you'd like to offer other mentor teams to use, please scan the QR code and submit yours today!
