

## MAY NEWSLETTER

### Adopt A Class Heroes Day

To start off the month of May, Adopt A Class proudly hosted our 2nd Annual Heroes Day at Lunken Airport, welcoming nearly 550 7th graders from eight schools to explore exciting careers in the military and first responder fields. Students engaged with representatives from the U.S. Armed Forces, Cincinnati Police and Fire, Civil Air Patrol, and more—experiencing everything from a UC Health helicopter landing to hands-on tours of service vehicles and aircraft.

Special thanks to our incredible partners, sponsors, and guests—including Mayor Aftab Pureval and Orlando Sonza of the Hamilton County Veterans Service Commission—for making this unforgettable day possible. We look forward to inspiring even more students next year!
